- **Inductive study of Psalms 119**  
Taught by Kay Couch & Linda Mushrush

Inductive study is an approach to God's Word focusing on 3 basic steps that move from a general overview to specifics. The steps are observation (what does it say?), interpretation (what does it mean?), and application (what does it mean for my life?). This is a valuable tool in understanding and applying the principles of God's Word.

This class meets on campus in the Elementary Building, Room 102

Jesus not only cares about this deep, spiritual wrestling, but He also wants to step in and see you through it.
