MORNING TIME

School is almost out for summer! Encourage your child to finish the year strong with a note of encouragement by their breakfast, lunchbox, or door. Write, "God gives you what you need to keep going. Don't give up and finish the year strong!"

DRIVE TIME

Play a game by telling your kids to think of a scale from 1-10. One being the easiest and 10 the absolute hardest. Think of things that require determination and rate that on the scale. For example, learning a new instrument is a level 6 or not eating candy for a day is level 2. Afterwards, ask them what is something they are determined to finish by the end of the school year or summer.

MEAL TIME

Q & A for kids: What is something you're doing now that you're having a hard time finishing?

Q & A for parents: What is something that you started and finished that changed your life? How would your life be different if you hadn't seen it through?

BED TIME

Do you think that following Jesus means things will be easy? When you try to live the way Jesus taught us, things will get hard! But the awesome thing is that you don't have to tough it out on your own. When you follow Jesus, God promises to give you the power of His Spirit to keep going. Pray that God will give you the power of His Spirit this week to keep going, even when things get tough.
