

GOD AND SINNER **RECONCILED**

Sermon Date 6/28/20

Group / Family Discussion Guide – Key passage Ephesians 2:11-22

The Good News (Gospel) that we can be reconciled to God is absolutely critical to our efforts to be reconciled to one another.

- How do you think someone's relationship with God effects their other relationships?

Read Ephesians 2:14 to discover how Jesus accomplished reconciliation between God & mankind.

- What does it mean that Jesus is our peace?
- From your experience / perspective do we still have walls of hostility between races, denominations, churches or other groups within the body of Christ?
- If so, how do these hostilities lead us to sin by rejecting the accomplished works of Christ (expressed in verses 15-22)?

How will you begin to honor Jesus unifying work by pursuing reconciliation this week?

- How can we pray for you & encourage you by 'checking in' on your progress throughout the week(s) ahead?
