# *Summer* —READING PLAN—

**NORTHEAST**  
BIBLE CHURCH

Jesus Christ, during His time on earth, turned the world upside down. He taught people of all walks of life to enter the kingdom of God by placing their faith and confidence in Him alone.

As Christians we are meant to live with that same focus. Wherever we go and in whatever we do our minds are meant to be aimed at what matters most to God. This is what it means to be everyday missionaries.

However, we are constantly being tempted to place all our attention and care on smaller things. Only God's Spirit and His written Word will help us to see the part we play in God's larger story.

May your time in God's Word give you a L.A.R.G.E faith!

## *Getting Started:*

1. Read 1 chapter each day (2 max if you miss a day)
2. Ask yourself –
  - What is God's plan/purpose according to this chapter?
  - What caused the people in the story to respond as they did?
  - How does God want me to respond to this passage?
3. Pray – God, direct my thoughts, actions, & feelings today.
4. On a Sabbath (Sunday) rest and consider all God has taught you through your previous weeks reading.
