

GOD AND SINNER
RECONCILED

Sermon Date 7/5/20

Group / Family Discussion Guide – Key passage Ephesians 2:11-22

What does it mean to be a missionary where you are today?

- How would it affect your thinking, decisions, friendships & attitudes to know you are his representative in each of your relationships?

Read Ephesians 2:17 to discover how Jesus instituted peace to those who were near & those who were 'far off'.

- Share about when you were 'far off' or living distant from God.

Read Romans 10:13-15 & 1 Chronicles 16:24 together.

- Discuss the critical role God has given us to proclaim His worth to everyone who will listen regardless of our temperament or their apparent response.

Do you think God receives glory & praise when we speak of Him even others don't respond to the message?

- What gives you this impression?

How will you begin to live with a 'Missionaries Mindset' in your home, work & world this week?
