## As a LifeGroup

### Love Where You Live: Matthew 22:39

Love Where You Live provides an opportunity for LifeGroups to serve together as a team doing yard work and simple home repairs for our neighbors in Schertz. Love Where You Live will find you someone local in need of this assistance and pair them up with your group. This is a great opportunity to live out Jesus' command to "love your neighbor as yourself." As Drew recently said in one of his sermon's, the great commission starts with "go" and this is a great opportunity to take that first step.

The neighbors we serve are primarily elderly, widows, disabled, veterans, and single-parent families that desperately need our help. They can't do the work themselves and they can't afford to pay someone to do it. This is our opportunity as a Church to show them that God loves them and that we love them as Jesus commanded. You see, the work is not the objective, the work is simply a means to making disciples on mission for Christ.
