Worship as Rest Nehemiah 8:1-12

We all need a day off every now and then. A Sabbath is something different than kicking your feet up and watching a football game or hanging out at the beach. It's an intentional day of rest and worship. When we think of worship, we often think of those three songs on Sunday morning, but worship is a lot more than that. Worshiping on a Sabbath means to delight in the goodness of God. This week in group we will spend some time talking about worship and rest.
