

Every Good Gift – Help

Accompanies the 12/5/21 Sermon

The Gift of Help

Where do we look when we need some help? For centuries that Jewish people had warriors, kings, and prophets that promised to help the people. Their efforts while sometimes successful would eventually fall short. What they had to offer was not enough. In today's verse Mary sings a song of worship because help had come to this world. Mary had the unique honor of carrying him in her womb. Today spend some time talking about this passage and the help that Christ brought us.
