

SERVING *at* NORTHEAST

PRODUCTION – CAMERA SWITCHER

VISION & ROLE

The mission of the Camera Switcher is to coordinate live video feed, slides, and camera shots to create a cohesive service experience. Our Camera Switchers control what viewers see online, but they also control the flow of different media onscreen during service. This role is well-suited for someone who can manage multiple moving parts and has cinematography or directing interests.

CORE RESPONSIBILITIES

- Switch cameras for variety in shots
- Communicate with camera operator to prompt camera shots
- Serve for both services when scheduled
- Coordinate with the Service Producer about the order of service

QUALIFICATIONS

- A follower of Jesus Christ
- Willingness to learn
- Eager to work collaboratively with the Production Team
- A servant's heart that leads by example

WORKS ALONGSIDE

Ruth Nava *Service Producer*

Production Team Members

Thaddeus Morris *Technical Director*
