

SERVING *at* NORTHEAST

PRODUCTION – CAMERA OPERATOR

VISION & ROLE

Our Camera Operators capture footage for Northeast's live service, its livestream, and its archives simultaneously. They are present in moments of worship and sensitive to shots that display the heart of our church, the energy of worship, and the emotion of the moment. Camera operators enjoy the creative freedom of finding good shots for service while working with the Production Team.

CORE RESPONSIBILITIES

- Capture the video footage for livestream and recording purposes
- Operate the main camera during service (platformed in the back)
- Operate the handheld roaming camera during worship moments
- Learn and practice composition, different camera angles and movements (pans, wide shots, zooms, etc.)

QUALIFICATIONS

- Follower of Jesus Christ
- Servant's heart and a willingness to learn
- Collaborative and ready to work with a team
- Cinematography, filming, or photography background is a plus!
- Willing to serve approximately 2 to 5 hours on Sundays when scheduled
