

SERVING *at* NORTHEAST

EMERGENCY RESPONSE TEAM – SECURITY & MEDICAL TEAM

VISION & ROLE

The mission of the Emergency Response Team is to provide a safe environment for our members and guests. Many of our team members include professionals with backgrounds in law enforcement, military service, or the medical field. Our members desire to use their security knowledge and skills to foster a safe environment on campus and serve as an important ministry at Northeast Bible Church.

CORE RESPONSIBILITIES

- Provide a high visibility presence to deter criminal activity
- Present a pleasant and welcoming demeanor
- Stay vigilant for suspicious or illegal activity on Northeast's campus
- Respond to emergency situations and suspicious, aggressive, and assaultive persons
- Keep continual radio communication with other team members
- Maintain current certifications in CPR/AED and emergency First Aid
- Attend team training as needed
- Provide emergency medical care or First Aid

QUALIFICATIONS

- A follower of Christ with a servant's heart
- A background or law enforcement, first responder, military service, or the medical field; or having other personal qualities that make you well-suited to serve in this capacity
- A positive, friendly attitude with a professional demeanor
- Ready to represent the church in grace and love
- Punctual and dependable
- An open, teachable spirit
- Able to pass a volunteer background check
- Willing to serve 1-2 hours weekly or every other week
